The logo for NucNet, featuring the word "NucNet" in a stylized, handwritten-style font. The "N" is large and prominent, with the "ucNet" following in a similar script. The letters are black and have a slightly irregular, hand-drawn appearance.

Taiwan AEC Appointment

The government of Taiwan has appointed Kuo-Cheng Chen as senior vice chairman of the Taiwan atomic energy council (AEC).

Dr Chen, 55, assumed office on 7th March. He received his MSc in fermentation technology as well as his PhD in biochemical engineering from Osaka University in Japan. To date, he has been teaching in the chemical engineering department of the Tsing Hua University, Taiwan, for many years. Mr Chen has also served as a member of the AEC advisory committee for nuclear safety.
