

2017 AEC-NRC Bilateral Technical Meeting (BTM)

Time: 9/25/2017~9/28/2017

Venue: NRC Headquarter and the New Jersey state Emergency Operation Center

Participants: Chaired by Ms. Mary Jane Ross-Lee, Deputy Director of the Division of Licensing Projects, Office of Nuclear Reactor Regulation, US NRC, and Dr. Chi-Szu Lee, Deputy Director General of the Department of Nuclear Regulation (DNR), R.O.C. AEC. The meeting was joined by NRC's personnel and experts and AEC's delegates.

Event Highlights:

The 2017 AEC-NRC BTM was held between September 25- 28 at the US NRC's Rockville Headquarter. The AEC delegate Deputy Director General Chi-Szu Lee participated in the table-top meeting and discussed with NRC delegates on nuclear safety regulations. Besides the recent regulatory activities and events, both sides shared and exchanged information and experiences of decommissioning regulation practices and other safety-related issues. Following the table-top meeting, AEC delegates travelled with the NRC personnel to the New Jersey State and Ocean County Emergency Operation Center for observing the decision-making process of dose estimation and civil protection action for responding on nuclear accidents. The AEC and NRC will continue exchanging technical information and strengthen cooperation through this annual meeting.
